

Preparing the Property for Letting

It is important that the tenants should feel comfortable in their home and that they are receiving value for money. Our policy of offering a service of quality and care therefore extends to our tenant applicants too, and we are pleased to recommend properties to rent which conform to certain minimum standards. Quality properties attract quality tenants.

General Condition

Electrical, gas, plumbing, waste, central heating and hot water systems must be safe, sound and in good working order. Repairs and maintenance are at the landlord's expense unless misuse can be established.

Appliances

Similarly, appliances such as washing machines, fridge freezers, cookers, dishwashers etc should be in a usable condition. Repairs and maintenance are at the landlord's expense unless misuse can be established.

Decorations

Interior decorations should be in good conditions, preferably plain, light and neutral.

Furnishings

It is recommended that you leave only minimum furnishings, and these should be of reasonable quality. It is preferable that items to be left are in the property during viewings. If you are letting unfurnished we recommend that the property contains carpet, curtains and a cooker.

Personal Items, Ornaments etc

Personal possessions, ornaments, pictures, books, etc, Should be removed from the premises, especially those of real or sentimental value. Some items may be boxed, sealed and stored in the loft at the owner's risk. All cupboards and shelf space should be clear for the tenant's own use.

Gardens

Gardens should be left neat, tidy and rubbish free, with any lawns cut. Tenants are required to maintain the gardens to a reasonable standard, provided they are left the necessary tools.

Cleaning

At the commencement of a tenancy the property must be in a thoroughly clean condition and at the end of each tenancy it is the tenant's responsibility to leave the property in a similar condition. Where they fail to do so we can arrange cleaning at their expense.

Mail Forwarding

We recommend that you make use of the Post Office redirection service. Application forms are available at their counters, and the cost is minimal. It is not the tenants' responsibility to forward mail.

Information for the tenant

It is helpful if you leave information for the tenant on operating the central heating and hot water system, washing machine and alarm system, and the day on which refuse is collected etc.

Keys

You should provide one set of keys for each tenant and if we are managing the property, a set of keys for ourselves.
